

Dear Second Grade Family,

This at-home class project is about a Very Important Person – your second grader! Attached is a page that has been divided into sections. With your help we will get to know each other. Your child’s page can be completed by using crayons, pencils, magazine pictures, stickers, etc., to give information. The page will be laminated so please do not use anything that “rises” off the page.

Once all pages have been returned they will be placed into a class book. When the book is complete each child will bring home the book for an overnight sharing time. After the book has visited each home it will become a part of our classroom library. At the end of the year your page will be returned.

If you have any questions please ask. Please return your page no later than September 12.

Have fun!

Mr. Foxworthy
